

## Sworn Statement of Commuting Status

Although the University feels that students will have their best opportunities for a well-rounded educational experience living in a supervised residence hall designed for student living, there are some circumstances under which a student may be approved to live off campus. In the event a student is residing and continues to reside in the established primary residence of her/his parents (or legal guardian) if it is within a 60-mile radius of Texas Tech University and the parents must have established their **primary** Lubbock residency at least six months prior to the request for an exemption, and legal guardianship must have been established by a court of law at least one year prior to a request for an exemption in order to be considered, the student may receive approval to live off campus.
